

Dear Parent/Guardian

The cost of supplying textbooks for students and of purchasing equipment such as uniforms, drawing equipment, writing materials, consumable equipment, etc. is increasing each year. During 2017 it may cost in the order of \$775.00 to supply students in Years 11 or 12 with all necessary materials whilst for students in Years 7, 8, 9 or 10 approximately \$600.00.

In an attempt to keep the rising costs financially manageable for most families, the school invites parents to consider the Student Resource Scheme for 2017.

The scheme has many benefits for both students and parents. Students whose parents become members of the Student Resource Scheme will have access to textbooks and some consumables in Manual Arts and Art subjects from the beginning of the school year. Students will also have access to a wide range of supplementary resources (books, DVDs and computer programs) not possible without the Student Resource Scheme.

The Student Resource Scheme cost to parents in 2017 is

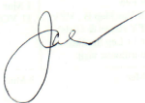

- Year 7, 8, 9 & 10.....\$235.00
- Year 11 & 12.....\$265.00 plus additional subject charges listed on page 2

Other options do exist, although these are not as convenient for most parents. For example, parents who would prefer to supply all their student's textbooks and resources needs, may obtain a list of required materials from the school.

Parents who elect to participate in the Student Resource Scheme for 2017 are advised that all charges are due at the end of February. If you wish to pay quarterly please indicate on the attached consent form.

1. All parents are required to complete and return the attached proforma.
2. If you wish to become a member of the Student Resource Scheme indicate your method of payment etc.
3. A receipt will be provided for full payments and part payments.

Yours faithfully

Jan Carr
