

2017

Dear Parents/Carers,

Year 8 Subject Selection 2017 – Enrolment Information

In year 8, students will study two electives, one in each semester.

Please indicate your elective subject choices by numbering your top 4 choices (1 = most preferred, 4 = least preferred subject) from the list below. You **must** select subjects from both the technology and the arts list.

Information about subjects is available school office and a subject handbook is available on our school website. If you have any further questions please feel free to contact the school.

Students and parents/carers should be aware that in the case of insufficient numbers for, or an oversubscription of, a subject, it may not be possible for all students to enrol in their first two choices. Where this is the case, every attempt will be made to place the student in their third preference.

Warren Brown
Deputy Principal
