## AB Tutor

All school owned electronic devices must be connected to the school network and are required to have AB Tutor installed and running whilst the device is in operation.

AB Tutor is a classroom management software tool that allows school staff to effectively manage networked classrooms and computer laboratories through real-time remote screen watch and control.

## Images and Recordings

Students are not permitted to take or transmit images, videos or audio recordings at school using an electronic device.

An exception may be granted if a teacher has approved the use of a school provided electronic device to take images, videos or audio recording as part of a teaching and learning activity. In these instances, the teacher will provide the students with an 'Image and Recording Pass' for the lesson.

These images, videos or audio recording may only be used for the approved curriculum activity.

All images and recordings must be deleted from electronic devices at the conclusion of the curriculum activity.

## Contact

If parents/carers need to convey a simple message to their child, a text message/voicemail can be sent.

Students are permitted to turn on their personal electronic device and check for messages before 8:35am and after 2:50pm.

For the purposes of this policy, a simple message includes but is not limited to:

- Catch the bus home.
- Your brother/sister has gone home sick.

If parents/carers need to convey an urgent message to their child, they need to contact the school office.
